Jerusalem Is Again Rocked By Explosions

Fresh Outbreaks Of Violence Occur In Scattered Parts Of Holy Land

BLAST SHATTERS SHOP OF ARAB

(BULLETIN)
JERUSALEM, Sept. 30.—(INS)—The city of Jerusalem was rocked by two explosions today as fresh outbreaks of violence occurred in scattered parts of the Holy Land.

Black columns of smoke billowed skyward near the Jaffa gate of the old city of Jerusalem when one of the blasts shattered an Arab shop on Mamillah road.

Police attributed the bombing to Arab terrorists trying "to discourage" Arabs from buying Jewish goods.

The blasts were quickly followed by the screaming of sirens warning of renewed underground activity.

Troops and police dashed immediately to action stations.

Train Derailed

Two coaches of a Cairo-Haifa railroad train were derailed by a hidden mine on the tracks 20 miles south of the Palestine port city.

Early police reports said there were no casualties.

The explosions marked the second consecutive day of anti-British violence carried out in reprisal for British deportation of unauthorized Jewish immigrants.

The latest incidents occurred as the Holy Land awaited the expected arrival tonight of two more shiploads of Jewish refugees.

British naval forces and aircraft already have the vessels under surveillance.

A Palestine government spokesman said he did not know whether the ships would be sent to the island of Cyprus or returned to the Baikan port from which they sailed.

Carry 3,850 Refugees

The ships, the Paducah and the Northlands, are carrying an estimated 3,850 Jewish refugees.

Sullivan Will Remain On Job With Democrats

(BULLETIN)
WASHINGTON, Sept. 30.—(INS)—Gael Sullivan announced after a White House conference today that President Truman had persuaded him to remain as executive director of the Democratic National Committee.

Sullivan's resignation, to be effective Oct. 29, was made known last Saturday simultaneously with announcement of the retirement of Postmaster General Robert E. Hannegan as Democratic National Chairman.

However, Mr. Truman, who has approved the choice of Sen. J. Howard McGrath of Rhode Island as Hannegan's successor, called Sullivan to the White House after McGrath expressed hope that Sullivan would remain as executive director.

Chilly Greeting For First Series Arrivals

YANKEE STADIUM, New York, Sept. 30.—(INS)—First arrivals of an expected record-smashing crowd of 73,000 buttoned up their topcoats and came into Yankee stadium bright and early today for the first game of New York's subway world series between the Yankees and Dodgers.

The sun was bright, but the thermometer was down in the region of crisp early fall football weather as 12,000 bleacher seats were hurriedly filled starting at 8 a. m.

Soon thereafter the standees began to arrive to fill points of vantage in the aisles and elsewhere to watch the start of baseball's greatest show, the battle for the world championship.

Great, sprawling Yankee stadium, haunted by the deeds of Babe Ruth and other super-stars of the past, was resplendent again in its world series finery of flags and bunting for the first time since 1943.

General Plans For Celebration Have Virtually Been Completed By Committee

(BULLETIN)
WASHINGTON, Sept. 30.—(INS)—The National Labor Relations Board, in its first "unfair practice" decision under the Taft-Hartley Act, ruled today that supervisory employees now are outside the coverage of the labor-management law.

The NLRB dismissed a refusal-to-bargain complaint filed by the Foremen's Association of America against the Westinghouse Electric Co., East Springfield, Mass.

In its decision, the board pointed out that as amended the National Labor Relations Act excludes any supervisory worker from definition as an employee for bargaining purposes.

Therefore, the board stated, the complaint was without merit and remedial action against the company was not required.

The complaint was filed in behalf of 150 supervisory workers.

(BULLETIN)
WASHINGTON, Sept. 30.—(INS)—Three Arab states demanded in a surprise move today that the United Nations act to prevent Jewish immigration to Palestine.

Egypt, Iraq and Lebanon applied to the U. N. secretary-general for inclusion on the agenda of the session an item calling for "international cooperation for the prevention of immigration which is likely to disturb friendly relations between nations."

Highly Controversial

The Arab group listed the highly controversial problem as another of a series of steps to compel the assembly and its committees to cross swords with every phase of the Holy Land problem in an effort to forestall an outright decision on favor of partitioning.

The request of the three nations will be referred to the steering committee, with little prospect of getting approval or disapproval at today's plenary which started shortly after 11 o'clock this morning.

The session began with a drive by Argentina for one of the three Security Council seats being vacated by present non-permanent members at the end of the year.

The eight committee functioning at Lake Success suspended all meetings for a day to enable the thousands of delegates to attend the Flushing Meadows session.

Soviet Opposes

The Soviet Union is organizing sharp opposition against the campaign of Argentina to gain the Security Council seat being vacated by Brazil at the end of the year.

The Argentine, although under bombardment in the past on dictatorship charges against Peron, won the support of the Latin American bloc.

Britain for its candidacy after an arduous campaign conducted since the General Assembly convened some weeks ago.

The Argentine delegation claimed before the plenary got under way that at least forty-two votes are assured in her favor, which would be sufficient to gain her the Brazilian seat.

G. H. Giles Of Pittsburgh Expires In Ellwood Hospital From Injuries Received Last Week

George Hult Giles, aged 21 years, of 143 Lloyd avenue, Pittsburgh, died in the Ellwood City hospital at 2:15 a. m. today of injuries received in an automobile accident on Route 19, five miles north of Zelienople, on September 22.

According to the information secured by Deputy Coroner Charles E. Allen, Giles was enroute to Oil City from Pittsburgh when his automobile crashed into the rear end of a trailer truck, Giles' car jamming up underneath the rear end of the truck.

Young Giles suffered internal injuries, a fracture of the right leg, and nose and other injuries. He was aged 20 of 281 Frederick street, Pittsburgh, who suffered a concussion of the brain and fracture of the right leg. He is recovering from the effects of his injuries, the hospital stated.

The deceased is survived by his parents, Arthur W. Giles and Mrs. Dorothy Hult, and his wife, all of Pittsburgh. The body was removed to Pittsburgh for burial this morning.

Gen. Eisenhower 'Boomlet' Draws Taft's Attention

By WILLIAM THIES
(U. S. Staff Correspondent)

EN ROUTE TO BOISE with Sen. Taft, Sept. 30.—The Eisenhower "boomlet" which some G. O. P. leaders say could upset the 1948 Presidential picture drew fresh attention today from Sen. Robert A. Taft's barnstorming tour today.

The Ohio Republican, moving eastward for a speech in Boise tonight, brought attention to the Eisenhower threat by a chance remark dropped in a speech at Pullman, Wash.

Humorous Remark

Taft humorously rebuked his friend, Dr. William I. Compton, president of Washington State College, for incorrectly identifying G. O. P. National Committeeman Harlan Payton of Washington. He added:

"It is proper that college presidents should have nothing to do with politics."

Taft latter was asked whether he had in mind Gen. Dwight D. Eisenhower, who becomes President of Columbia University next year. The Senate leader replied:

"No, I was just trying to make a light remark."

Taft then was asked whether he thought college presidents should have nothing to do with politics. He answered soberly:

"I think it is a wise policy for college presidents to stay out of politics."

Sugar Shipments To Germany Cause Battle In Verdun

PARIS, Sept. 30.—(INS)—Communists battled with mounted police in barricaded streets of Verdun today in a vain effort to halt the shipment of truckloads of sugar to Germany.

When the convoy turned toward Paris in an apparent attempt to bypass Verdun by alternate routes, the street fighting ceased.

The demonstrators shouted the historic World War I battlecry "They shall not pass."

Verdun labor unions called a general strike in protest to the American sugar shipments to the French occupation zone.

Yesterday authorities abandoned the plan of sending the sugar in two canal barges when rioters damaged the canal locks and had to be driven off by tear gas.

Pittsburgh A.F.L. Officials To Sign NLRB Affidavits

PITTSBURGH, Sept. 30.—(INS)—The Pittsburgh A.F.L. Building Trades Council today disclosed that all its officials will sign the anti-Communist affidavits required under the Taft-Hartley Labor Law.

George L. Waters, council president, said officials of 19 building crafts decided the action at a meeting Sept. 24.

Whether the action of the Pittsburgh Council will clear the way for the use of National Labor Relations Board machinery in future disputes remained doubtful. Earlier Robert Denham, general NLRB council, had ruled that the international officials as well as local officials must sign the documents.

No Proposals Until Nov. 1

Vandenberg explained in a statement that the state department will not be ready to offer concrete proposals until Nov. 1.

The Michigan senator stressed Europe's "urgent winter needs for food and fuel." He said:

"The immediate question is one of elemental human survival in a free society."

The foreign relations chairman added:

"The president has asked the congressional committees dealing with foreign affairs and appropriate legislation to take action."

Prosecution Is Summing Up In Overell Case

SANTA ANA, Cal., Sept. 30.—(INS)—The assistant prosecutor whose grim charges left heiress Beulah Louise Overell's face streaked with tears returned to court today to complete his murder accusations against her and George R. Gollum.

Henry A. Dietz, who opened the state's final arguments yesterday, stepped before the jury box again to hammer home the final points of his claim that "the state has unequivocally proved first degree murder against the defendants."

To Cover State's Claim

His chronological exposition of the prosecution's case reviewed the death of the Walter E. Overells, the girl's parents, aboard their yacht in Newport Bay last March 15.

Today he was to cover the state's claim that after the parents were bludgeoned to death the boat was sunk with a dynamite time bomb to destroy evidence of the crime.

The heiress co-defendant was shaken far beyond any emotion she had shown previously at the trial when Dietz dramatically pointed a finger at her and declared:

"They killed her father and mother for the most powerful motive known to man—money and lust."

At session's end both the girl and her boy friend, Gollum, left the courtroom with grim and troubled faces.

Each season brings its own delights, its weather and its eats, the spring, the fall, the other two, each have their season's treats. And now with fall parked in our lap, and falls all about it, it's time to think of pig's feet and a dish of sauerkraut. I know this is not served to folks on golden plates all right, but can you tell me any food that brings such large delight, I like the odor when it's cooked, that permeates the place and when the plates are all set up and we have had the grace, I like to revel in the food, it is a treat to me, don't tell me it's plebeian food, the weather's fifty three.

SEES G.O.P. VICTORY

TOPEKA, Kans., Sept. 30.—(INS)—A Republican victory in the 1948 elections was forecast today by House Speaker Joe Martin (R-Mass.), as he prepared to address a meeting of Kansas Republicans.

Martin declared that he was positive of this result from talking to "all kinds of people" during his present trip.

The Republican leader said at a Topeka news conference yesterday that the way "apparently" has been cleared for a special session of Congress "late in November."

Cabinet Shifts In Britain To Battle Crisis

LONDON, Sept. 30.—(INS)—Sir Stafford Cripps took over the newly-created post of minister of economic affairs today in a reshuffled cabinet geared to battle Britain's economic crisis.

Sir Stafford is given unprecedented authority to supervise and coordinate the nation's foreign and domestic economic policies.

He moves on from his position as president of the Board of Trade to assume his special new duties and to serve in the cabinet as minister without portfolio.

Successor Named

Succeeding Sir Stafford as Board of Trade president is 31-year-old James Harold Wilson who becomes Britain's full cabinet member. Wilson previously served as under-secretary for overseas trade under Sir Stafford. He has been largely responsible for managing the export drive.

Dropped from the cabinet at the request of Prime Minister Attlee was Arthur Greenwood, veteran minister without portfolio.

Herbert Morrison, deputy prime minister, will also assume the duties previously discharged by Greenwood.

These changes are expected to be followed shortly by announcement of other cabinet shifts, possibly on Thursday. The changes are expected to be extensive but will not involve the key posts held by Morrison, Foreign Secretary Bevin or Chancellor of the Exchequer Hugh Dalton.

Cooler Weather Is Headed Here

(By International News Service)

Western Pennsylvania was in for much cooler weather and possibly frost tonight the weatherman predicted.

He said weather charts showed that the mercury may skid to the low 30's by early Wednesday morning with winds up to 38 miles an hour in the great Lake region.

The cold front produced temperatures below freezing in Wisconsin, Minnesota and North Dakota, which he said, was moving slowly eastward.

Meanwhile, at Kane, temperatures were moderating after six days of sub-freezing weather. For three days temperature stood in the high 20's.

Two Injured In Auto Crash On West Side

Alex Michaels, 19, 2122 Berger street, city, is in a serious condition in the Jameson Memorial hospital and Robert Shaffer, old Pittsburgh road, R. D. 1, is in a similar condition in the New Castle hospital because of an auto accident at 9:50 p. m. Monday at Grandview avenue and West Washington street extension.

Michaels has a cut face, body bruises, internal injuries and a concussion.

Shaffer has possible internal injuries and injuries to his head. X-ray pictures of his right ankle are being taken today.

According to the report of state police, Michaels, with Shaffer as an occupant, drove out of Grandview avenue into West Washington street extension. His car plunged across the road, went over a ditch and struck a tree.

Transportation Men Will Have Meeting

Members of the Youngstown Chapter of the Delta Nu Alpha Transportation Fraternity, will meet on Thursday evening, October 2, at 6:30 o'clock at the El Rio, on Route 422, Warren-Youngstown road.

W. O. Mooney, of Mooney Brothers here, is in charge of reservations from this city.

RAILWAY POSTAL CLERK EXAM COMING

Announcement is made today by Miss Garnet Rhodes, local secretary of the U. S. Civil Service Commission, that applications will be received until October 28, for the position of substitute railway postal clerk to fill positions in all states except New York.

Application forms may be secured from Miss Rhodes at the local post office.

SEN. VANDENBERG CALLS COMMITTEE FOR NOVEMBER 10

(Continued from Page One)

tions to explore as soon as possible western Europe's urgent winter needs for food and fuel.

"This proposal is submitted separately from plans dealing with long-range economic recovery on a self-help basis, although they have factors in common."

Adequate Consideration
"Adequate consideration of both problems demands comprehensive congressional preparation, including complete information regarding our own resources which may wisely be made available."

"Legislation is impossible until these studies are adequately concluded. Congress and the country require total facts."

The senator said the studies must be completed as soon as possible.

Vandenberg's statement was interpreted as an indication that he does not believe a special session of Congress would be feasible before Dec. 1, if then.

After pointing out that the state department could not offer a plan until Nov. 1, he said:

"Other essential reports, including findings of the congressional committees visiting Europe and also the report of the Harriman commission, will not be available until that time."

"Therefore, I have asked the members of the foreign relations committee to reconvene Nov. 10, prepared to sit until our share of the job is finished."

Stassen Rejects Tito's Invitation

(BULLETIN)
NEW YORK, Sept. 30.—(INS)—Harold E. Stassen turned down today an invitation from Marshal Tito to join with five other prominent Americans in a first hand investigation of alleged Yugoslav aid to Greek guerrillas.

The former Minnesota governor and announced candidate for the Republican presidential nomination suggested, instead, that the Yugoslav government allow an official commission of the United Nations to observe the border controversy.

Air Line Pilots Start Walkout

CHICAGO, Sept. 30.—(INS)—Spokesman for the Air Line Pilots Association, AFL, announced that a walkout of pilots today grounded planes of the American Overseas Airlines flying North Atlantic routes to Europe.

David L. Behncke, president of the Air Lines Pilots Union, said the strike started at 4 a. m. (EST) and was progressing rapidly.

Behncke, who represents most of the nation's air line pilots, declared the strike did not involve pay issues but was caused by the airlines' "strong arm" or "else" negotiating tactics that bluntly attempted to circumvent the railway labor act.

The pilots' spokesman officially announced the strike at the association's headquarters in Chicago.

Foresee Brake On Rising Prices

CHICAGO, Sept. 30.—(INS)—The Federal Reserve Bank of Chicago reported today that allings exports are expected to serve as an "anti-inflationary weapon and a brake on rising prices for the remainder of the year."

The bank, reviewing commerce and industry in five midwest states in its monthly publication, Business Conditions, declared:

"Some individual prices may break and there may be a certain amount of unemployment, but the net effect on the American consumer probably will be favorable." States which the bank studied are Illinois, Indiana, Michigan, Wisconsin and Iowa.

mated 3,850 refugees from Soviet-dominated Bulgaria and Romania. The tranquility of the Holy Land was disturbed throughout the night by scattered incidents.

Officials attributed the principal disturbances to the Irgun Svai Leumi organization which yesterday blasted Haifa police headquarters, killing 10 persons and injuring scores.

Road mines, allegedly placed by Irgun agents at strategic points along main roads in Palestine, kept British soldiers busy hunting the explosives.

One mine blew up a British army vehicle near the Lydda airport, injuring two soldiers.

Four British soldiers detailed to follow a wire extending from a detonated mine were fired on from ambush. They returned the fire and reportedly hit one of the attackers.

FAITH MORE COMMON SENSE

The following is in connection with last week's Ad, and we would like to include these things which we think is worth while for the public to know, and a very good thing for them to give some thought to.

The American people have a great tendency today, to be looking for something for nothing, and even if they do not get something for nothing, and still think they do, they are happy. The more intelligent people know that somebody pays for everything, regardless of what some other people try to make them believe.

The donation of chairs, the free ambulance, limousines to haul people here and there, are used quite often to make people think they are getting something for nothing, but as we said, the intelligent people know that this just can't be. No grocery store gives you a sack of flour when you purchase some groceries. No clothing store gives you an overcoat when you buy a suit of clothes, because somebody has to pay for these things. So, why be foolish enough to expect that the funeral director is giving you so much for nothing, as somebody has to pay for it later on.

DINNER OBSERVES GOLDEN WEDDING

In observance of the 50th wedding anniversary of Mr. and Mrs. Harry G. Voorhees, 614 Chestnut street, a group of 21 relatives was entertained at dinner September 28, in the home of Dr. and Mrs. K. F. Voorhees, of Sheridan avenue. A tempting meal was served at a table, tastefully decorated in a white and gold color scheme. Many beautiful gifts and cards were received by the honored couple who were united in marriage September 29, 1897, at Atlantic in Crawford county. Mr. and Mrs. Voorhees resided at Atlantic until 1917, when they moved to New Castle, living here since that time. Among the guests were their three sons, Dr. K. E. Voorhees, New Castle, Lawrence A. Voorhees, Ashtabula, and Allen G. Voorhees, Grove City. There are six grandchildren and one great-grandchild. Others present from out-of-town include Mr. and Mrs. A. W. Andrews, Erie; Mr. and Mrs. Paul McMichael, Conneaut Lake, and Mr. and Mrs. R. T. Ewing, Atlantic.

CURRENT EVENTS '06 OPENING LUNCHEON

Opening fall meeting of the Current Events '06 took the form of a luncheon at a downtown tearoom Monday afternoon. Luncheon was served at 1 o'clock to 21 at a table decorated in fall flowers in tones of purple and gold. On each of the placecards was a topic, such as "Who'll Be the Next President?", "My Pet Grouch," "The Correct Length of Fall Gowns," or "Reminiscences of Social Gatherings of the Club during the Past 41 Years." On these, members gave short impromptu speeches and the program proved a very entertaining one. In charge of arrangements and the program was Mrs. Robert B. Loudon, president, assisted by the program committee, Mrs. Alice E. McKillop, Mrs. Fred Bell, and Mrs. John Dockman. Business, except for roll call, was dispensed with. Mrs. Charles C. Eckles was a special guest. Next meeting will be October 13 at 2 o'clock in the Y. W. C. A. club room with Mrs. Fred Bell as hostess.

REACHES FOURSORE AND TEN MILESTONE

Celebration of the ninetieth birthday of Mrs. Ella M. Johnston, of 436 West Neshannock avenue, New Wilmington, was an event of Saturday, September 27. Friends and relatives called both Saturday and Sunday to congratulate Mrs. Johnston on her long and happy life in the community and she received a shower of lovely birthday cards and a number of bouquets of flowers. Mrs. Johnston is in unusually good health for her advanced age.

ELLWOOD CHURCH SCENE OF WEDDING

White gladioli, palms and ferns decorated the altar of the First U. P. church of Ellwood City for the candlelight wedding on Saturday afternoon, September 27, at 2:30 o'clock of Miss Pauline E. Burrows, daughter of Mr. and Mrs. Paul Burrows of 740 Pershing street, Ellwood City, and John E. Martin, son of Mrs. William Sibole of Perry avenue, Ellwood City. Rev. W. E. Minter officiated at the double ring ceremony.

Given in marriage by her father, the bride wore a gown of white satin with a net trimmed in cut-work and seed pearl and crystal bead embroidery. Her fingertip veil fell from a heartshaped head-dress trimmed in embroidery to match that on the gown. She carried a white Bible with a white orchid and satin streamers knotted with white pompons as a marker.

Maid of honor, Miss Barbara Hamill of Coraopolis, a cousin of the bride, wore a pink satin and net gown and carried a colonial bouquet of purple flowers. Bridesmaids, the Misses Marion Kline and Nellie Brown of New Castle, wore gowns of the same style and material in blue and carried bouquets of pink flowers.

Chester Book of Ellwood City was best man and William Martin, brother of the groom, and Lonnie Keelen of New Castle, a cousin of the bride, served as ushers.

Nuptial music was played by Mrs. J. R. Little, organist, who accompanied Mrs. William Daubert, soloist, who sang "Always" and "Because."

Following the ceremony a wedding dinner was served to the bridal party at a tearoom on the Country club road near Ellwood and later from 5 until 9 o'clock there was a reception at the home of the bride's parents where the gifts were on display and a wedding cake was a feature of the refreshment table.

Mr. and Mrs. Martin left on a motor trip to New York City and on their return will be at home in an apartment on Line avenue, Ellwood City. Mrs. Martin is employed as a supervisor for the Bell Telephone company in Ellwood and Mr. Martin is employed at the National Tube company there. He is a veteran of 3½ years' service with the U. S. navy.

BETTY KETZEL IS SHOWER HONOREE

Mrs. Henry Karki, East New Castle, entertained a group of 35 friends Saturday evening at her home in honor of Miss Betty Ketzel, bride-elect of this week.

Various games were enjoyed with trophies going to Miss Esther Lehto, Miss Esther Peltonen and Miss Helen Joki. Later the honoree was recipient of a number of gifts of a miscellaneous nature for use in her new home. Mrs. Carl Lepisto and Mrs. Harvey Ketzel aided Mrs. Karki in serving a dainty repast.

Miss Ketzel, daughter of Mr. and Mrs. Charles Ketzel, Gilmore street, will be united in marriage to Andrew Karki, son of Mr. and Mrs. Henry Karki, Acorn street, Saturday evening, October 4, at 7:30 o'clock. Rev. F. C. Johannes will officiate at the open church ceremony which will take place in the Hoover Heights Tabernacle.

Miss Ketzel has asked Miss Miriam Karki to serve as maid of honor, while Miss Norma Karki and Miss Phyllis Karki will be bridesmaids. Martha Rae Ketzel will act as ring-bearer.

Glenn Ketzel will serve as best man for the prospective groom, Harvey Ketzel and Paul Karki will usher.

Mary Reilly

INTERNATIONAL TABLE-TENNIS STAR

MORE PEOPLE ARE SMOKING CAMELS THAN EVER BEFORE!

AS A TABLE-TENNIS STAR, Mary Reilly has had years of experience—in tournaments and in exhibitions. As a smoker, she had an enlightening experience during the wartime cigarette shortage.

Like so many other smokers, she smoked—and compared—several different brands of cigarettes. That's when she found that cool, mild, flavorful Camels suit her best!

Smoker after smoker had that same experience. They tried and compared...found Camels the "choice of experience."

According to a Nationwide survey: MORE DOCTORS SMOKE CAMELS THAN ANY OTHER CIGARETTE

Three nationally known independent research organizations asked 113,597 doctors—in every branch of medicine—to name the cigarette they smoked. More doctors named Camel than any other brand.

A table-tennis enthusiast since childhood, Mary Reilly plays a fast, brilliant game—gave exhibitions for thousands of G.I.'s on USO tours.

I SMOKED MANY DIFFERENT BRANDS DURING THE WARTIME CIGARETTE SHORTAGE. CAMELS SUIT ME BEST!

YOUR "T-ZONE" WILL TELL YOU... T for Taste... T for Throat... That's your proving ground for any cigarette. See if Camels don't suit your "T-Zone" to a T.

ATTENDANTS NAMED FOR WEDDING SOON

Attendants have been named for her wedding on October 9 by Miss Marjorie Duncan and her fiancé, Glenn Caruthers.

The bride-elect has asked her sister, Mrs. Jesse C. Dufford, Jr., the former Doris Duncan, to be her maid of honor, and the Misses Gwenda Mae Richards and Lillian Snock, to be bridesmaids.

Her fiancé has asked Dale Caruthers to be best man and Jesse C. Dufford, Jr., and Joseph Thornberg to usher.

The wedding is to take place in the Third U. P. church at an open ceremony at 7:30 o'clock in the evening on Thursday, October 9.

Miss Duncan is the daughter of Mr. and Mrs. Howard Duncan, of Marshall avenue, and Mr. Caruthers is the son of Mr. and Mrs. Charles B. Caruthers, 909 Rose avenue.

PARENTS HONOR SON WITH FAMILY DINNER

At the home of Mr. and Mrs. George Tribby, of 929 Warren avenue, a family dinner was served at Sunday noon. The event was in honor of their son, Capt. Charles Tribby, who leaves this morning for Camp Meade, Md., where he will be administrator of personnel confined to the hospital there. Capt. Tribby was last stationed at Limberg, Germany. He has been in Germany about three years, and in U. S. service for almost seven years.

Reminiscing was the diversion following the dinner. Mr. and Mrs. Charles Craft of Sandy Lake were out-of-town guests.

Around Hollywood

By JOHN TODD

International News Service Staff Correspondent

HOLLYWOOD, Sept. 30.—The tallest actor in Hollywood history will go before the cameras in November when RKO starts "The Harder They Fall." That's the screen dramatization of Budd Schulberg's novel about a built-up prize-fighter.

In the starring role will be Ben Moroz, six feet, seven inch boxer who turned actor when he found he lacked the killer instinct so necessary for ring success.

Dwarfs Director
Moroz had six professional fights, including one losing battle with Lou Nova, before he turned to the more lucrative field of acting.

Five feet, seven inch Eddie Dmytryk, who'll direct "The Harder They Fall," took one look at Moroz in New York and knew he had the star of his picture.

Barbara Reforms
Barbara Stanwyck, who for five years has been Hollywood's hardest working star, has reformed.

for M-G-M, her first since her return from a European vacation six months ago. Barbara vows she's going to take life much easier in the future.

Barbara explained: "I have only two commitments ahead of me. I start a picture for Hal Wallis February 1, if he has a picture ready for me then, and I'll also make a picture for Warners next year, probably in the fall."

"That's all I intend to do from now on, two pictures a year. That's enough."

Was Too Busy

"In the past few years I undertook too much. I never intended to make as many pictures as I did. But, producers would come along and ask me to do this role or that role and I'd say sure. The first thing I knew I had myself all fouled up."

Barbara is much in favor of the shorter picture schedules which have been in vogue since the box office began to fall off and Britain imposed its 75 per cent tax on Hollywood earnings there.

Shorter Schedule

"This picture has a schedule of 45 days," Barbara explained, "a little while back it would have been much longer. There's no need of all the time which has gone into making pictures in recent years."

"You can make the most super picture in eight weeks, so why take twice that long?"

"Believe me, I like the shorter schedules."

'Hell Week' Back At Westminster

Traditional 'Rules And Regulations' Are Imposed For Members Of Freshman Class

NEW WILMINGTON, Sept. 30.—"Hell Week," traditional freshmen hazing period, returned to Westminster college Monday after a year's absence.

All freshmen are required to open doors for upperclassmen, wear 9x12 name cards, and drop to the ground when an upperclassman yells "Air Raid." Being able to recite all the college songs,

skipping all day Tuesday, and walking backward Thursday, and no co-education are other general rules.

Girls are forbidden the use of makeup and jewelry. In addition they are not allowed to put up their hair and must wear black stockings, high heels, dinks, and mustaches made with an eyebrow pencil. Rules for men include no shaving, wearing earrings, dinks, and makeup, and carrying a purse containing matches, lipstick, comb, mirror and pencil. Other rules for the girls and men apply to specific days.

"Hell Week" will terminate Thursday evening at Tribunal a result, everyone who wished to learn Dutch professed to be a medical student and 3,000 pupils are said to have passed through the Osaka medical school in 24 years.

A century ago the Japanese government permitted only physicians to learn the Dutch language. As a result, everyone who wished to learn Dutch professed to be a medical student and 3,000 pupils are said to have passed through the Osaka medical school in 24 years.

HIGHLAND LEADERS
GATHER AT CHURCH

Bible school workers, including 53 teachers and officers, assembled Monday evening for their semi-yearly gathering in Highland U.P. church. A tempting dinner was served by the Naomi circle, under leadership of Mrs. Thomas Francis.

E. Miller Smith, who was introduced by Russell Johnston, assistant Bible school superintendent, gave an enlightening talk on "India and Its Customs." Mr. Smith served overseas for 28 months as an engineer during World War II.

Peggy Smith, representative of Highland Bible school at Camp Kanastota this summer, told of her interesting experiences while there for two weeks. Roy F. Conway gave a resume of the moving picture program which will be presented at Highland church in the coming months.

CLASSES GUESTS
AT WIENER ROAST

First Baptist Sunday school intermediate girls and boys graduating classes taught by Mrs. Alex Gardner and Bob Lutz were entertained for a wiener roast at the cottage of Mr. and Mrs. Daniel Hughes, Sunset Valley, Saturday evening.

It was in the form of a tramp party, each one taking his own pack with the main ingredients for the feast.

The two classes motored to the cottage, where in the early evening they played a ball game.

After dark, wieners and marshmallows were roasted and later games and singing were enjoyed, directed by the teachers.

Mrs. Alex Gardner gave a short sermonette as a parting thought. Mrs. Daniel Hughes, department superintendent, lead in prayer and Bob Lutz, who is leaving the department to attend college, was bid goodspeed, having already received a parting gift from the department. The party was closed with singing "Bless Be the Tie That Binds."

Miss Ruth Hughes, a member of the graduating class, was the hostess, aided by her mother and father.

The two classes, numbering 28, were promoted to the young people department Sunday.

D. BODENDORFER

WEDS R. C. MALONE

Mr. and Mrs. Andrew Bodendorfer of 715 Young street announce the marriage of their daughter, Dorothea Bodendorfer, to Robert C. Malone, of Cleveland, O., the double ring ceremony being performed by candlelight Saturday evening. Rev. A. E. Simon of St. John's Lutheran church officiated at 7 o'clock before an altar embanked with white fresh flowers.

The bride wore a white crepe gown with triple lace insertions and train. Her fingertip veil fell from a crown of matching lace, and she carried a white Bible marked with a white orchid.

Miss Frieda Bodendorfer, sister of the bride who designed and made the gowns, was maid of honor. She wore a white crepe patterned similar to the bride's. Her headband and arm bouquet were of aqua and white pompons.

Donald Harper was the best man and ushers were Dr. Allen Rayle and Robert Lash of Cleveland, O.

Mrs. Donald Harper of Cleveland, O., sang, "I Love You Truly," "Because," and "The Lord's Prayer."

Following the ceremony a reception and buffet supper followed served to guests numbering 100 at the Elitrecht club.

Mrs. Malone is a graduate of the New Castle High school, and St. Luke's Hospital School of Nursing, and is employed as head nurse in the diabetic department of the Cleveland Clinic. Mr. Malone is an accountant for the E. W. Bliss company, Cleveland, O.

The young couple departed by plane for New York City, and after a week's wedding trip will reside at 1815 Crawford avenue, Cleveland, O.

SHOWER SURPRISE
FOR LUCILLE DELI

A pre-nuptial surprise shower was given in the home of Mr. and Mrs. Salvador Deli, 1104 West Washington street, on a recent evening for their daughter, Lucille Deli, a bride-elect of November.

The shower was planned as a surprise by Mrs. William Ayers and Mrs. Betty Horchler and the honoree received a shower of lovely gifts for use in her future home.

Candle place favors revealed the date chosen by the bride-elect November 19, for her wedding to Robert Conti.

Games were a diversion followed later in the evening by the serving of a tasty lunch by hostesses Mrs. Ayers and Mrs. Horchler.

Simon Relief Corps

Louis E. Simon Relief Corps No. 11 will assemble Wednesday evening, October 1, at 7:30 o'clock for a business session and social period in Malta hall, East Washington street.

Volant Mothers' Club

THERESA DeMASE

WEDS J. SCARNATI

Given in marriage by her father, Miss Theresa DeMase, daughter of Mr. and Mrs. James DeMase, of 309 Carl street, became the bride of Joseph Scarnati, son of Sam Scarnati, of 230 Shadyside, Saturday morning, at 9 o'clock, in St. Vitus church.

In the presence of friends and relatives, vows were exchanged by the young couple, Rev. Fr. V. Bertoline, officiating. He used the double ring service, during the ceremony, before an altar embanked with flowers and ferns.

The bride was charming in a gown of white satin, made en train, with sweetheart neckline trimmed with Spanish lace and caught with orange blossoms clips, a peplum of Spanish lace and long sleeves with lace insertions, tapering at the wrists. Her tulle fingertip veil fell from a lace band of orange blossoms clusters, and she carried a cascading bouquet of roses and baby mums, centered with an orchid. She wore a wrist watch, a gift from the bridegroom. The bride's gown was designed by Mrs. Margarette Russo.

Miss Rachel Altieri, as maid of honor wore a blue lace-marguerite gown with yellow accessories and headpiece, and she carried yellow roses and baby mums. Bridesmaids, Virginia DeMase, Gloria DeMase, Mary Jane Litrenta and Delores Chioda, wore gowns of yellow tulle-marguerite with blue accessories and carried yellow teasos and baby mums.

Al Scarnati served his cousin as best man. Ushers were Francis Russo, Joseph Calmona, Michael Stefano and Vincent Scocchera.

Supplementing the ceremony, a wedding breakfast was served at the home of the bride, and at 1 o'clock a wedding dinner was served at a dining room Croton avenue. An evening reception was held at 7:30 o'clock in King Humbert hall for guests upwards of 400.

Mr. and Mrs. Scarnati departed on a wedding trip to Washington, D. C., and eastern points, and upon their return will reside at 230 Shadyside.

Mrs. Scarnati was a former employee of Johnson Bronze company. Mr. Scarnati is affiliated with the Johnson Bronze company.

Talk Heard On Atomic Energy

Westinghouse Engineer Dis-
 cusses Value Of Recent
 Discoveries In World
 Of Science

DEVELOPMENT
 TO COME SOON

Members of the four other service clubs of the city, Kiwanis, Lions, Wolves and Optimists, were guests of New Castle Rotary club at their noon luncheon meeting in The Castleton, Monday, and heard Gerry de Groce, supervisor of the engineering design division of Westinghouse Electric company, discuss "Atomic Energy, Tool or Weapon".

On December 2, 1942, a group of scientists made the first atomic chain reacting pile at the University of Chicago, Mr. de Groce stated, and it is not yet known what it will bring, new sources of power and higher living standards, or the destruction of our civilization thru war.

Mr. de Groce stated that the immediate benefits to be derived from atomic power have undoubtedly been exaggerated, but that the production of the first steam engine and first electric motor probably appeared less important at the time of their invention than atomic power appears now.

Research and Medicine
 In addition to useful power for generating electricity for industrial production and operating ships, we now have available radio active materials which are already finding use in research and medicine, and it seems likely that some chemical and metallurgical operations, particularly in isolated regions, can be carried out by means of atomic energy. Industrial and domestic heating are also possible and new applications will undoubtedly appear as intensive research goes forward, he stated.

The real and enormous task before the world becomes clear, we must end war, as no other control of atomic weapons exists. If war comes atomic weapons will be used, he said.

Mr. de Groce then explained how atomic energy is produced, showing by use of pictures the component parts of an atom, namely the proton, neutron and electron. These three units are so small that the most powerful microscope cannot make one of them visible. The energy of the electron is derived from its motion, and even though it travels at a high rate of speed, its energy is relatively small. All chemical reactions, however, are obtained by the linking together of atoms by means of these electrons, which revolves around the protons and neutrons, held compactly together in the center of the atom, which resist separation.

How Atom Is Split
 Because the inside of the atom is empty, the problem of reaching the nucleus in order to release some of its binding energy, becomes a problem. An atom of the famed U-235 of the atomic bomb was depicted. In the nucleus were shown 92 protons and 143 neutrons, with 92 electrons, revolving about them in the orbit. A fast neutron

aimed at the nucleus, might miss, whereas a slow neutron swings in for a hit and results in the release of atomic energy. This produces fission, which is simply the splitting or disintegration of the nucleus of an atom. What happens is that when an atom of U-235 is bombarded by a neutron, the atom splits into two fragments, some mass disappears and in its place appears a tremendous amount of energy and several more neutrons are released, which may go on to split other U-235 atoms. Thus, as a result, there is an instantaneous expanding chain reaction, which releases a tremendous amount of energy and this can be converted into heat, or explosive forces.

Since atoms are mostly open spaces, a chain started in a small block of U-235 quickly dies out because of the released neutrons escaping. The bigger the block, the smaller will be the percentage of escaping neutrons and the more left to split other nuclei. When the block is rapidly built up beyond a certain secret size, the fragment of 1,000 nucleus fissions split many more than 1,000 additional nuclei. Then fissions multiply geometrically and the block disintegrates with explosive speed and violence as in the bomb.

Mr. de Groce explained the atomic pile and its use, and stated that an atomic furnace, known as the Danilov atomic power plant, has already been produced and is being used to operate electric turbines. Control rods, which in the case of the Danilov plant, are rods made of Boron, absorb the escaping neutrons and control the energy. These move about at a varying rate of speed. Where the rods are completely immersed, there is no fission, as the movement of these rods is increased, the amount of energy released increases, heating up gas passing through the atomic furnace, which passes on to the boiler and heats the water. Both the gas and steam are cooled and returned for a repeat cycle of heating.

Mr. de Groce predicted that atomic power would be in use for the operation of ships and submarines within a few years. He stated that the explosive force would be used in blasting operations on a gigantic scale, blasting lakes in deserts, removing mountains or changing the course of rivers. He also outlined many uses in the field of medicine and industry. In chemistry, the radio active isotopes will speed the understanding of metallurgical and organic reactions. In industry, they will measure flow, detect leaks and do other useful work. Meanwhile the uranium piles will be manufacturing certain radio active isotopes which can serve as cheap but effective substitutes for high cost medical radium.

It is already clear, he stated in conclusion, that the chief benefits of atom splitting will come first as new scientific knowledge, rather than as new engines and gadgets, but in the long run, man's new understanding of the inner atom will enrich the whole range of human activity.

Mr. de Groce was introduced by H. C. Hadsell, past president of New Castle Rotary club. Pep singing was led during the meeting by Jack Huston, with Carlton Ferris at the piano.

Farm Youths To Study Marketing In Pittsburgh

Hundred Vocational Agriculture
 Students From Three Counties
 To Make Trip

One hundred vocational agriculture students from Lawrence, Beaver, and Butler counties, will make a trip to Pittsburgh on Thursday, where they will study fair marketing conditions. They will be accompanied by their instructors and James C. Fink, vocational agriculture supervisor for the tri-county area.

All departments from the three counties will be represented, the trip being sponsored jointly by the Pennsylvania Chain Store Council and the Pittsburgh Chamber of Commerce.

They will first visit the Pittsburgh produce terminal, where they will take in the auction of products from the three counties, and will then follow to one of the big chain store warehouses, where they will see these products graded, priced and packaged for retail sale.

The trip is designed to show these farm youths what things can be produced in the district for sale in the Pittsburgh marketing area.

Ruling Is Against Use Of Cardboard Milk Containers

WASHINGTON, Pa., Sept. 30.—(INS)—The Washington County Common Pleas court has ruled in favor of an ordinance against the use of paper milk containers in Washington.

The rules made late yesterday by Judges Carl E. Gibson, George T. Cummins and Roy I. Carson, automatically dissolved a preliminary injunction obtained several weeks ago by the Otto Milk Co. of Pittsburgh to sell milk in cardboard packages.

Local Artists Meet Wednesday

Associated Artists of New Castle will have their meeting in the Pennsylvania Power Service building, South Jefferson street, Wednesday evening at 8 o'clock, and at this session every charter member will bring a "guest member".

Members are to submit an original painting or piece of work to-morrow, and all guests who are interested and plan to attend will do the same.

The first meeting of the group were spent in organization, but with tomorrow's session, activities and actual work of the group will get under way. Otto Pearsall, president, will preside.

Report Storm Causes Number Of Auto Mishaps

Several motor vehicle accidents occurred during the rain storm Monday on three different highways of Lawrence county. However, injuries occurred in only one of the accidents.

The car of Miss Mary Shuttleworth, 134 Fairmont avenue, skidded while descending Stevenson bend, Youngstown road, and overturned at 11:20 a. m. The car was damaged. She escaped injury.

When a right tire blew out on the car of Lawrence Pardue, 3105 Orrin street, Youngstown, at the same place, it threw his car against a culvert, tearing out the rear end at 11:15 a. m.

Pick-up truck driven by Marilyn Lawrence, R. D. 5, and car operated by E. H. Hanna, Market street, Pittsburgh, collided at 10:30 a. m. five miles beyond New Castle on Highland Heights-New Wilmington highway.

She was making a left turn without giving a signal, it was reported to State police and Hanna's car was too close to be stopped. She sustained a bump on her forehead. The vehicles were damaged.

At 9:40 a. m. one-half mile north of Wampum, Clifford Spiker, 1104 East Washington street, drove his car over the crest of a hill, Raymond W. Orr, Wampum, R. D. 2, was negotiating a left turn. Spiker was too close to stop his car and slid into Spiker's car. Damage resulted.

Dr. G. W. Crile Is Thursday Speaker

Lawrence County Medical society members will have an opportunity of hearing one of the outstanding physicians of the Cleveland Clinic, Dr. G. W. Crile Jr., on Thursday evening at The Castleton.

The session will start at 9 p. m. with president, Dr. D. L. Perry in charge.

Dr. Crile will speak on the subject, "Surgical Management of the Thyroid Disease".

Test Fourth Ward Bicycles Saturday

One hundred and fifty-nine bicycles were licensed at the Park avenue fire department last Saturday. Approximately 15 remain to be licensed according to Traffic Policeman Clarence Welsh. They will receive their licenses at police headquarters.

Next Saturday Fourth ward bicycles will be inspected and licensed, it is stated.

Ten Little Servants

Ten little servants, waiting in a line;
Call one to do the wash—and still you have nine!

Nine little servants, working long and late,
Ask one to cook your meals—and still you have eight!

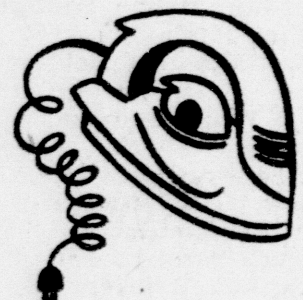

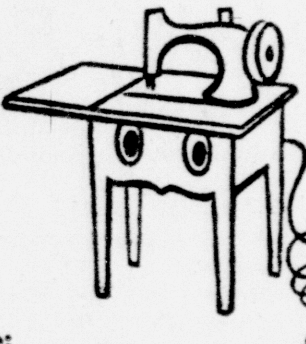

Eight little servants—working like eleven!
Call on one to clean for you, and still you have seven!

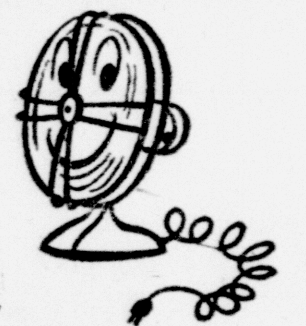

Seven little servants—you don't need candlesticks
When this one lights the house for you—and still you have six!

Six little servants, electrically-alive,
This one sews a handy seam—and still you have five!

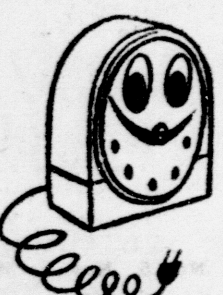

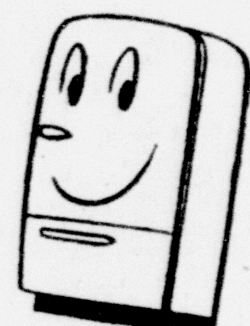

Five little servants to help with every chore;
One can iron all the shirts—and still you have four!

Four little servants—such activity!
One breathes a little breeze—and still you have three!

Three little servants—if you're feeling blue,
One will entertain you—and still you have two!

Two little servants, whose work is never done!
One keeps the food fresh, and thinks it's rather fun—

One tells the proper time from sun to setting sun.
(Dependable electric service makes these servants run—
And saves you lots of elbow grease. Suppose you had none?)

Yes, electricity is always ready to take the work out of housework. And it costs so little!
Matter of fact, if yours is the average family, you're getting twice as much electricity for your money as you did 20 years ago. What other item in your budget does so much for so little?

Christ Methodist Starts Visitation

Christ Methodist congregation began its two weeks' personal evangelistic campaign Sunday. This visitation will be carried out in the homes of New Castle and also those of Hillsville.

A mass evangelistic gathering will take place at the church on Thursday evening, October 2, at 7:30 o'clock. Rev. F. P. Sulmonetti, pastor, is being assisted by a former minister of Hillsville Italian Methodist church, Rev. P. D'Elia of Altoona, and Rev. Norma Marlin, former missionary to India.

Well-attended services were conducted Sunday morning and evening in the New Castle church and in the afternoon at the Hillsville church. Rev. Marlin, Rev. D'Elia, Rev. and Mrs. Sulmonetti were the speakers.

Garden Notes

October is the best month to set out tulip bulbs and the work can continue until hard freezing.

Established clematis vines benefit from a mulch of well-rotted manure every fall.

Flower planting in the hardy border is an October chore. Practically all perennials with the exception of chrysanthemums can be set out now if their clumps are of fair size.

General overhauling of the garden is a good October activity. It should include the digging of cover crops, and other materials to improve soil texture, final weeding, as well as the turning over of new ground intended for next year's planting.

Tulips can be planted eight inches to the bottom of the bulb. This allows for the roots of annuals to be set out between flowering stalks in spring. Never plant fewer than six bulbs to a drift.

With but few exceptions, such as dogwood, redbud, white birch, magnolia, tuliptree and tamarix, practically all other trees and shrubs can be planted just as well this fall as next spring.

Henry Home Repair Fund Nears \$1400

Recent Contributions From Donors Swell Fund For Margaret Henry Home Repairs

The fund sponsored by the ladies auxiliary to the Eagles for repairs to the Margaret Henry Home building has reached a total of \$1399.50 with the addition of five more checks recently received from organizations and individuals.

Recent contributions to the repair fund have been received by B. N. Hanlon, treasurer, from: Consistory Legion of Honor, \$10.00; Order of the Eastern Star Chapter, No. 333, \$10.00; Dr. and Mrs. R. C. Gilmore, \$5.00; Wimdousis, \$250.00.

Estimates on the minimum repairs needed at the home call for the amount of \$2500.00 and thus the sum of \$1100.00 is still needed, according to Mrs. A. E. Herberg, Margaret Henry Home chairman for the auxiliary.

Paper Drive October 18
It is anticipated that the city-wide paper drive on October 18 which the Eagles auxiliary and Lawrence County Garden club will sponsor jointly will raise much of this amount.

Nearly six months ago the Garden club had completed plans for its annual paper drive to take place in October, proceeds to go to the Community Rose Garden. But due to the imminent need when the Eagles ladies undertook to make possible necessary repairs at the Margaret Henry Home, it was decided to make the drive a joint one rather than hold separate collections within a short period of time.

Mrs. Thomas Shretter is chairman of the paper drive for the Lawrence County Garden club.

First Methodist Y.F. Plans Fall Program

Young people of the Youth Fellowship of First Methodist church got off to a good start with their fall program, when they met Sunday evening in the church parlors. Their plans call for a full Sunday evening which includes a Youth Fellowship hour from 6:30-7:30 p. m., attendance at the evening church service, 7:30-8:30, and then a fellowship hour from 8:30 to 10 o'clock.

Next Sunday evening they have set their goal for an attendance of 50 at the youth meeting. Mr. and Mrs. C. H. Coates are counselors for this group. Rev. J. A. Gaiser, new pastor of the congregation, is acting in an advisory capacity.

Saturday evening October 4, the young people will have a wienner roast at the home of Miss Eleanor Sloan, 321 Englewood avenue.

The largest known species of owl is the circumular gray owl which is from 27 to 28 inches long and more than five feet across the wings. The smallest is the elf owl of Arizona which is less than six inches long and is further remarkable as having only 10 tail feathers. All other owls have 12.

Job Openings Much In Excess Of Applicants

PSES Office Lists Some 250 Jobs In City But Appli- cations Run Low

New Castle's PSES office is near the bottom of the barrel for persons to fill job openings in the city and the district, it was announced today by George Gettings, manager.

"We have some 250 jobs of all types available in the city," the manager explained, "and about 1,000 out-of-town openings, but few people to fill them."

There are positions in the community for stenographers, waitresses, sales clerks, laborers, both skilled and non-skilled, mechanics, both in building and industry, photographers, candy-makers and bakers.

There is a crying need for domestic help in the city, it was pointed out, with these jobs paying surprisingly well for day work. Another category lacking in applicants is the female factory worker of the non-skilled type.

Mr. Gettings pointed out that persons seeking jobs either within the city or in neighboring towns should check with the PSES office as they may find the exact job they are looking for.

"The trend has changed," he stated, "and we now have more jobs than we have people to fill them. Heretofore it was the reverse, with a limited field to offer applicants. We are in hope job-seekers will come to the office and check the list of available openings."

Stinging Reply Given Poland

LAKE SUCCESS, N. Y., Sept. 30.—(INS)—Poland's demand that the United Nations outlaw the Marshall aid plan brought a stinging reply from Britain Monday that Poland was like a football player who took to the sidelines during a crucial play, then criticized the team for being short a player.

C. P. Mayhew, British delegate in the Assembly's economic committee, and first to reply to Dr. Oscar Lange's resolution denouncing American aid to Europe, said:

"Dr. Lange of Poland is like the member of a football line who takes to the sideline during an especially keen match—then jeers the team for being a man short."

R. P. Church Plans Special Services

In anticipation of the communion service to be observed Sunday, October 5, there will be preaching service at the Reformed Presbyterian church on Wednesday, Thursday and Friday evenings at 8 o'clock. The Rev. David M. Carson of Beaver Falls, Pa., will be the guest speaker. Mr. Carson is pastor of the Eastvale Reformed Presbyterian church.

He will also be present for the communion service on Sunday morning and will deliver the sermon. There will be an evening preaching service on Sunday at 7:45 at which Mr. Carson will be the speaker.

Compensation Not Due Worker Idled By Plant Strike

Although New Castle has not experienced a strike of major importance since the revision of the law, George Gettings, local PSES office manager pointed out today that workers idled by industrial disputes are not eligible for compensation.

The law revision, which went into effect July 1, wipes out the previous four-week "disqualification" period after which strikers could then apply for checks.

Turnpike Receipts In August \$601,438

HARRISBURG, Sept. 30.—(INS)—Gross receipts from the Pennsylvania turnpike were reported today to have totaled \$601,438 during August compared with anticipated monthly returns of a half million dollars.

Gov. James H. Duff said receipts bore out his contention that the 160-mile road constructed at a cost of \$71,000,000 was a "good investment."

The money represented tolls and funds from a food concession operating 10 restaurants between Irwin, Westmoreland County, and Middlesex Cumberland county.

WASHINGTON CALLING

(Continued from Page Four)

According to reports that may have considerable basis in truth, the guerrillas are tired and disheartened. They have not received the volume of aid from across the border that they had anticipated.

All such reports, of course, must be taken with a generous handful of salt, since through the summer and into the fall the rebel bands have been able to keep on the offensive.

The fact that the offer of general amnesty comes at this time is highly significant. It comes as the stragglers and the half-hearted are longing to leave the mountains. It comes with the pledged word of Prime Minister Soploulis, who has the respect of most Greeks of whatever political party. And, even more important, it is underwritten by the Americans who helped to bring it about.

The number to surrender in the month of amnesty may be much smaller than the 50 per cent estimate of Soploulis. But even if the final total should be negligible, the amnesty is a gain of the first importance.

Communist propaganda out of Moscow and on the rebel radio screams that the Soploulis government is nothing but a "show window for American imperialism." This in itself is a confession that the new government and the amnesty are a victory.

Some observers, however, are afraid that the government is not working hard enough to propagate the amnesty and its terms. Unfortunately, the American Mission is not equipped to give any assistance in this direction.

One of the most powerful appeals would be the offer of a job. Many who surrender will be unable to go back to their own villages, where the bitterness against the guerrillas is intense. If they believed they could get work on an American road-building project, it would be a definite inducement to give up.

But the long series of delays in getting the American program started makes this impossible. The U. S. Army engineers, working as civilians, are just now laying out the projects. Contracts are being let and supervisors are arriving daily.

While "to late" is too pessimistic a tag to pin on the American program, certainly it is late. All possible speed will be necessary to get work started before winter sets in and hope for millions in this tragic country is suspended once again.

POLIO STRIKES

CAPE MAY, N. J.

CAPE MAY, N. J., Sept. 30.—(INS)—Schools in Cape May were closed today and all public gatherings were banned following an outbreak of poliomyelitis in a low-cost housing project.

Four persons have been stricken. Mayor L. Grant Scott said the schools were closed as a precautionary measure. Some 300 pupils are affected.

Scott's order also closed all churches, piers and public places for one week.

Almira Home Will Have Open House On Donation Day

Annual Donation Day October 29
Will Be Marked By Home's
First Open House

In connection with its annual Donation Day, the date this year to be Wednesday, October 29, Almira Home will, for the first time in its history hold open house throughout the day, according to Mrs. W. Walter Brahm, Donation Day chairman.

Extensive interior improvements have been made at the home in recent months, one a newly furnished hospital room made possible through a generous donation from Mrs. William Hahn, of Oil City, and for another, complete redecoration of the dining room. It was decided to hold the open house in connection with Donation Day to give all residents of New Castle and vicinity who wish, a chance to visit the home where forty-one ladies are in residence at the present time and where there will be forty-four within a short time. One of the residents recently became a centenarian.

As in former years, annually in the fall, Donation Day will offer friends of the home an opportunity to contribute checks, and send offerings of canned fruits, canned vegetables, sugar, flour, fresh fruits, and staple groceries, and jams and jellies to be added to the home's larder.

This year it is planned to make Donation Day a truly festive occasion at the home and the public is extended a very cordial invitation to visit it sometime during the day.

America's first shoemen, Thomas Beard and Isaac Rickman, arrived on the third voyage of the Mayflower in 1629.

To Discuss Aid To Veterans In VA Hospitals

Samuel Rashid, chairman of the community service to camps and hospitals committee, has called a meeting for tonight in the Red Cross chapter house, at 8 p. m.

The chairman has invited representatives of all the service organizations in the county to learn how they can aid in supplying much-needed materials to veterans in the Deshon and Aspinwall hospitals.

Miss Irene Curran, field director of the VA hospital, in Butler, will be a special guest and will address the gathering.

The Red Cross has revived this service, inactive since the war, due to the large number of requests which have come from the hospitals asking for materials to pursue hobbies, the manual arts and other projects.

Navy Electronic School Planned For County Men

Lt. S. W. Inks, Essener, has obtained permission from the Fourth Naval District in Philadelphia, to operate a Navy volunteer electronic warfare company in the county.

The unit, which will be known as Company 418, will train all radarman, radiomen, soundmen, electronic technicians and signalmen in the Navy's latest equipment.

There will be a meeting of the newly formed company at the Navy Recruiting station, Post Office building, Wednesday at 7 p. m.

Ex-navy men holding the ratings mentioned above are asked to attend the meeting.

Martin Gantz Reunion Tonight

Plans Completed For Annual Dinner-Reunion At Scottish Rite Cathedral, 6:30 P. M.

At the final meeting of the Martin Gantz reunion committee held Monday evening, all arrangements were completed for the annual school reunion, slated this evening at 6:30 o'clock, at the Scottish Rite Cathedral. A turkey dinner will be served.

According to all indications upwards of 150 are expected to attend, with several members attending from out of town. Due to unforeseen circumstances the reunion was postponed from August.

Karl Rohrer, is the president of the reunion. Arch Cubbison is the entertainment chairman. In charge of the decorations is Mr. and Mrs. Albert Hewitt.

Prior to the dinner, the former pupils and teachers will gather for an informal gathering in the lobby and the good of school days will be reminisced at this time.

Robert Lemmon Joins U. S. Navy

Chief Quartermaster J. P. Burrell of the local Navy recruiting office announced today that Robert N. Lemmon of 1419 W. Washington street has enlisted in the regular Navy for three years, and is now in training at the Navy training center Great Lakes, Ill.

Lemmon will be home on "boot leave" after about twelve weeks of training. He attended high school in Pittsburgh and was employed this summer at a steel mill in Youngstown, Ohio.

Report Move Is Aimed At Lewis

CHICAGO, Sept. 30.—(INS)—A move was reported under way today seeking the ouster of John L. Lewis, United Miners' Union president as vice president of the American Federation of Labor unless he signs the non-Communist affidavit.

At a meeting of the AFL executive council in Chicago last Sept. 12, Lewis blocked the entire 15-man council from unanimously agreeing to sign the non-Communist affidavits required under the Taft-Hartley law.

The demand for Lewis' ouster was expected to be raised at the annual convention of the AFL in San Francisco Oct. 7.

A Chicago bloc was being formed to put pressure on Lewis and demand he solve the dilemma he created for 7,500,000 AFL members by refusing to sign the affidavits.

Apollo Reunion Set For November 1

Saturday night, November 1, will be the date of the annual Apollo club reunion dinner in the Sylvan Heights golf club house. It was announced today by President G. Wilfred Thomas.

The club at one time was an active male glee club and appeared in concert in western Pennsylvania and eastern Ohio. In the late twenties it ceased functioning actively but has held a reunion each year since.

Committees are at work now preparing the program.

Survivors Of World War II Veterans May Get Benefits Security Office Explains

In case of the death of a qualified military or naval veteran of World War II, within three years from date of discharge, benefit payments to survivors are now possible under the Social Security amendments enacted August 10, 1946. Myron Milbourn, manager of the New Castle Social Security office, advises that in the last year a considerable number of survivors of local deceased veterans have already filed claims. As an example, quite a few widows with young children in their care are already receiving substantial monthly checks.

It is important to note, Mr. Milbourn stresses, that survivors of veterans may be eligible, even though the veteran may not have had sufficient employment under social security to be otherwise qualified. In fact, he or she may never have actually worked in employment covered by social security. Mr. Milbourn pointed out that there is never any charge for information regarding benefit rights, or for help in filing a claim.

Not All Qualified

Not all veterans qualify for this type of survivorship insurance. The law does not apply in the case of persons who died while in service. It does not apply to veterans who received a dishonorable discharge. Further, it does not apply in the case of veterans who died more than three years after discharge. Survivors of a deceased veteran who are receiving compensation or pension from the Veterans Administration are not eligible for the Social Security benefit payments. However, government life insurance is not considered compensation or pension.

All veterans, not disqualified as indicated above, are thus protected provided they served at least 90 days on active duty since September 13, 1940. If service was less than 90 days it must have terminated because of a service-connected disability.

Guarantees Status

This new law, therefore, guarantees each eligible veteran an insured status in the event of his death with a three-year period after discharge. It means in the usual case that his widow if she has minor children in her care will be eligible for monthly benefits until the children reach age 18. If there are no such survivors, parents who were dependent upon the veteran may be eligible for monthly payments at 65, or when they reach that age. If no monthly payments are immediately payable, a lump-sum death payment may be possible. In most respects the features of this amendment are similar to provisions of the old age and survivorship program of the Social Security Act.

Following the death of a qualified veteran, Mr. Milbourn asks that the widow, or other close relative or friend, should visit, write or phone the Social Security office at once, as an unusually long delay might result in loss of benefits. Information and help for veterans' claims, as well as for the usual retirement and survivors claims are gladly given free of any charge by the Social Security field office, 306 Neshannock avenue, New Castle. The office is open Monday through Friday, beginning September 30, 1947, office hours will be from 9 a. m. to 5 p. m. standard time.

Hear Arguments On Right To Impose Tax On Juke Boxes

PITTSBURGH, Sept. 30.—(INS)—Arguments were being heard before the Pennsylvania Supreme Court in Pittsburgh Monday if a third class city has the right to impose a tax and collect penalties on juke boxes.

Counsel for William Adams who operates juke boxes throughout Westmoreland county contended that there is no authority in the state constitution or on the statute books for the passage of such an ordinance or the collection of license fees.

Adam's petition centers around an ordinance passed by the city of New Kensington which imposes an annual license fee of \$2.50 on each machine and penalties from \$50 to \$100.

Adams charged discrimination and added that the law was a political move sponsored by Mayor Clarence W. Walley as a political retaliation against Adams by reason of his opposition to the candidacy of Walley in the last municipal election.

U. S. Protests To Soviet On Libel Against Truman

WASHINGTON, Sept. 30.—The United States today bitterly protested to Russia against what the State Department called a "wantonly libelous" insult to President Truman in a Soviet magazine which compared him to Adolf Hitler.

The State Department said, however, the Soviet Foreign Minister Molotov brushed aside the protest with the statement that he could not take responsibility for the article. Molotov, in turn, attacked the American press for "lying and slanderous articles" which he said were designed to "inflame hostility between peoples."

U. S. Ambassador W. Bedell Smith carried the American protest to Molotov after a Russian writer named Boris Gorbachev published his attack on Mr. Truman in the Soviet "Literary Gazette."

Byrnes Declines

To Make Visit

To Yugoslavia

WASHINGTON, Sept. 30.—(INS)—James F. Byrnes, former Secretary of State, declined an invitation to visit Yugoslavia as a private citizen because such a tour might prejudice action by the United Nations on the Balkan question.

Byrnes, in reply to the invitation from Yugoslav Ambassador Kosanovic, declared:

"Whether the conduct of Yugoslavia toward Greece constitutes a threat to the peace is a matter for determination by the United Nations of which both Yugoslavia and Greece are members and not for investigation and determination by a group of private citizens of the United States."

Reserve Officers

Will Show Film

Members of the Lawrence county chapter, Reserve Officers Association of the United States, will see the government film "Eighth Air Force vs. German Air Force" October 2. The showing will be a part of the reserve meeting and Col. Foster of Pittsburgh will be present and explain the air reserve program.

All reserve officers of the Army, Navy and Marine Corps are invited to attend the meeting which will be held in the Pennsylvania Power Building on South Jefferson street at 7:30 o'clock.

Ice hockey established a new attendance record during 1945-6, when more than 2,000,000 fans witnessed the 150 league games.

Thirty Cases Listed For
Heaviest Civil Court
Term In A Number
Of Years

OTHER HAPPENINGS
IN COURT HOUSE

Thirty cases, the heaviest list in a number of years, are scheduled for trial in the October term of civil court. While a number of them probably will be settled before the trial date is reached, the term still looks to be the heaviest in years.

In the past three years it is doubtful if two dozen cases have been tried in all in civil court. October term will bring the aggregate up.

On Monday morning Judge W. Walter Braham went over the trial list with the attorneys, setting the trial order for the cases.

NO MARRIAGE LICENSE BOOK
—Due to a delay in the printing office in Pittsburgh the new marriage license docket which is needed,

has not been delivered to Prothonotary and Clerk of Courts John A. Edgar. Until it arrives all applications are being made out on application forms which are used where a license is applied for outside the office.

ELECTION EXPENDITURES

Gradually the candidates are getting in their election expenditures. The deadline for filing them is October 9. On Monday the following accounts were filed:

W. Francis McCracken, candidate for the Republican nomination for county commissioner, shows \$196 spent. Carl W. Haufier, candidate for the Democratic nomination for mayor, spent less than \$100. John A. Edgar, candidate for the Republican nomination for prothonotary and clerk of courts, spent \$302.35. W. J. Reynolds, candidate for the Republican nomination for county commissioner, spent less than \$100. B. N. Hanlon, candidate for the Republican nomination for city treasurer, spent less than \$100. In Mr. Hanlon's case he showed expenditures of \$50 for filing and announcement fees. Albert A. Hoyland, candidate for the Republican nomination for city council, spent \$501.77.

Another Row In
C.F.U. Is Forecast

Butkovich Discloses He Will Refuse To Recognize New Officers

PITTSBURGH, Sept. 30.—(INS)—The Croatian Fraternal Union, hamstrung by wrangling political factions, today girded for another inter-union row when John D. Butkovich, international president, disclosed that he will refuse to recognize new officers chosen during a stormy two-week convention. Butkovich contended that the officers were not elected by a quorum of the convention delegates. The anti-Communist faction walked out of the convention last Friday in order to block the election.

Under the by-laws, Butkovich said, the outgoing president is required to call the new officers into session to form a new administration. Butkovich says he won't comply with this clause because the officers weren't legally elected, adding:

"To recognize these men as offi-

cers of the Croatian Fraternal Union would be to brand our members as followers of Tito and Stalin.

"We can not allow European politics to destroy an organization of loyal patriotic Americans." Butkovich said the progressives and their set of officials would have to take the matter to court to get themselves recognized. And even then, Butkovich believes, one-third of the lodges could call a special convention to oust the progressive leaders.

The union, with its \$17,000,000 insurance fund "unfrozen" for normal operations, appeared likely to be ruled by a two-headed administration.

FRANKLIN MAN DIES

FRANKLIN, Pa., Sept. 30.—(INS)—Funeral arrangements were being completed today for Grant Bolmer, 79, for many years identified with the entertainment world in Venango county, who died Monday night at his home in Franklin. Bolmer was a motion picture pioneer. He operated a hotel in the early 1890s and was owner of the first roller skating rink in Franklin.

LUNCHES FOR THE SCHOOL CHILD

September means back-to-school days. Summer fun is over and now it is time to work. Many folks have been busy getting everything in readiness for the school-agers—dresses, shirts, socks and other articles of clothing. But do the children have good lunch boxes and will that first year of school be started right? Too often the school child's noon meal is neglected. He does need the right kind and enough food to maintain vitality and good health. Some mothers seem to think they can make up for a poor lunch when the children get home from school... but this isn't possible. The noon meal—whether it is eaten at home or carried in a lunch box and eaten at school—should furnish one-third or more of the child's total daily food needs. This takes very careful planning.

One of the first essentials for the school is a good lunch box. It should be made of a material that is easily cleaned and is durable—this means a metal lunch box. Also the box should carry a thermos bottle with it... a thermos bottle is necessary for a beverage—preferably milk—or a hot soup. If the thermos is not right with the lunch box, the child isn't likely to carry a thermos separately.

What should be included in the lunch box? First of all, sandwiches—though they should not be the only food in the lunch box. Make the sandwiches of both whole wheat and enriched white bread—or all whole wheat if the children prefer. The number of sandwiches that go into each lunch box depends upon the child's appetite. Vary the fillings. Use chopped raw vegetables, chopped meats, fish, cheese, eggs or poultry. Chopped dried fruits make a delicious sweet filling—but one sandwich with a sweet filling is enough. Wrap each sandwich separately so it will retain its own flavor and stay moist and fresh. Also include at least a half pint of milk. This may be the beverage or it may be used in a milk dessert or in a soup.

A scalloped dish or a salad, or soup may be included in the lunch. Raw vegetables are especially tasty as a salad when not made into filling for sandwiches. Another way to get vegetables in the lunch is to cut them in strips or wedges, such as carrots or turnips in sticks, or cabbage or tomato wedges. Many school children learn to eat some of these foods because they see their friends eating them. Then fruit—either fresh, canned or dried, helps to complete the school lunch. Fruits carry many vitamins and minerals which are those health protectors and vitality maintainers. Be sure to prepare the fruit so it is easy to handle and eat. Fruit is a simple dessert for the school lunch and usually is all the child needs for dessert. However, for a change, plain baked custard, simple cookies, cake without frosting or gingerbread all have a place in the packed lunch. Dessert is what the child looks forward to and a pleasant surprise will put a happy ending to his noon meal that means much to his health.

A circular on the school lunch is available at the Agricultural Extension Office, 206 Post Office Building, and gives more suggestions. A copy may be obtained upon request.

National Employ the Physically Handicapped Week

October 5th to 11thExperience Proves It's
Good Business To Hire
Handicapped Persons

Handicapped persons do "fit in" when employed in jobs they are capable of filling—jobs which use their abilities. No job requires all of the abilities of a worker. For any given job there are handicapped workers who are fully qualified to meet all the job requirements. Employers really benefit through increased production when disabled persons are employed in the RIGHT jobs.

Handicapped Persons Want Equal Opportunity To
Compete for Jobs They Can Fill!

THEY WANT AN EQUAL CHANCE IN LIFE!

If You're an EMPLOYER...

Another employee has returned to the labor market today... bringing his new skills, his ingenuity and tremendous determination... qualities you're always in the market for. His disability is overwhelmingly outweighed by his capabilities. Careful surveys show the "impaired workers" produce more and stay with the job longer than the unimpaired. First, determine the kind of man you need—the skills, training, background that would be most helpful to you. Then contact the local branch of the United States Employment Service.

If You're a DISABLED VETERAN...

It's going to be a busy world for the next few years. Your skills and energies are as desperately needed by your community and your country as they were during the war. Employers need good men. Never mind your disability; it's your capabilities the hard headed business man is interested in. Just get the right job... an important job where you can put in a full day's work and be proud of the results. Cooperate with the Pennsylvania State Employment Service. It's helping that employer locate you... the man he needs.

WASHINGTON, Sept. 30.—(INS)

Rep. Eaton (R) N. J., chairman of the House Foreign Affairs Committee, declared today that a special session of Congress to furnish stopgap financial aid to France and Italy is "absolutely essential."

Eaton said the 80th Congress should reconvene Dec. 1. He's the first of the Republican leaders who attended Monday's White House conference to take a stand on the question which President Truman left up to Congress to decide.

Eaton's group may meet as early as Nov. 4, at least a week before

the other three committees are expected to begin deliberations on a program which the President termed "urgent" if western democracies are to survive the winter. Many committee members are now in Europe.

Pirates Release Five, Sign Three For 1948 Season

Roger Wolff, Jim Bagby, Lee Howard, Wietelman, Tate Are Cut From Bucs

PITTSBURGH, Sept. 29.—(INS)—When General Manager Roy Hamey said the Pittsburgh Pirates would be almost completely rebuilt for 1948 he apparently wasn't fooling.

Today he announced release of five players and acquisition of three "in preliminary operations toward the rebuilding of the team for 1948."

Those released were Roger Wolff, veteran knuckle ball pitcher; Jim Bagby, another veteran hurler; Lee Howard, rookie pitcher; Whitney Wietelman, infielder; and Pitcher Alvin Tate.

Pitchers Richard Piatnek, a righthander, and Stanley Ferek, a southpaw, and Catcher Earl Turner were recalled from the Pirate farm team at Indianapolis.

Start Paying Sacramento Wolff, who teamed up with Dutch Leonard, now of the Philadelphia Phillies, to almost knuckleball the Washington Senators into an American league pennant in 1945, was sent to Sacramento of the Pacific Coast league. He is one of five players the Pirates must send Sacramento as part of the purchase price for Catcher Eddie Fitzgerald, recently obtained for 1948 by the Bucs.

Wietelman and Tate also went to Sacramento as part of the same deal. Tate had been at Indianapolis this season. Bagby, who came to Pittsburgh this year from the Boston Red Sox, and Howard, only recently called up from Indianapolis, were sent back to the Indians for 1948.

Hawthorne race followers agree that there is something in a horse's name. Easy Dough, a 4-year-old gelding, rated as a 99 to 1 shot, won a race at the Chicago track.

UE&F To Sponsor Military Unit

Army Reserve Maintenance Unit To Be Organized At Plant Of United Engineering

As a step in the War Department's plan to create a pool of reserve service units in industry, an ordinance maintenance unit has been approved for New Castle, to be sponsored by the United Engineering and Foundry Co.

Most of the personnel will be drawn from the company's employees it is said, but men outside the company will be accepted for service in the unit.

Men of the unit will be trained in various types of maintenance and repair work and in the event of war would be assigned as a unit to regular army forces. The unit will be one of many such industrial military units developed by the army over the United States.

Kiner May Join Feller All-Stars

CLEVELAND, Sept. 29.—(INS)—Bob Feller, the Cleveland Indians pitching ace, revealed today that the Pittsburgh Pirates' home-run hitting outfielder, Ralph Kiner, may join his postseason barnstorming group.

"Kiner indicated that he would like to come with us," Feller said, adding, "but he wants to talk it over with the Pittsburgh management first. I expect to hear from him within the next few days."

Feller's group will open a three-week tour of the south, southwest and possibly Mexico with an exhibition game in Atlanta October 8. Other points scheduled for appearances include Birmingham, Memphis, New Orleans, Houston, Dallas and Oklahoma City.

The team will play for a week in California before going south of the border.

Players Named Feller said he needed another outfielder besides Kiner, a pitcher and a catcher. Comedians Jackie Pierce and Max Patkins will accompany the group.

Players already signed include Ken Keltner, Jim Hogan and Bob Lemon of the Indians; Ferris Fain and Phil Marchildon of the Philadelphia Athletics; Jeff Heath of the St. Louis Browns; Ed Lopat of the Chicago White Sox; Eddie Miller of the Cincinnati Reds and Frankie Gustine of the Pirates.

Garry Schumacher, who is enjoying a deserved life of ease now as a baseball executive after his years of writing about the game, says that's a lot of thin sliced baloney about the "hopped up" National league ball.

Big Al Wistert, 216-pound tackle for the Philadelphia Eagles, will captain the squad through its 1947 season.

Fail To Connect Suspect With Girl Slaying

PITTSBURGH, Sept. 30.—(INS)—County detectives said that William S. Hart, an escaped convict who had been questioned in the Labor Day slaying of Julia Ann Fesko, probably will be turned over to Ohio authorities within a few days.

They admitted they had been unable to connect Hart with the slaying despite the array of circumstantial evidence against him.

Hart was arrested last Friday following a wild chase by police and county detectives after they had received information that "an escaped Ohio convict" was at liberty.

Police said Hart had a small caliber revolver in his possession at the time of arrest—the same type that was used in the slaying of the pretty McKeesport factory worker.

Fishermen in the United States increased their number by from 10 to 25 per cent last year.

OIL STOVE BLAST

DESTROYS HOMES

OF THREE COUPLES

SHAMOKIN, Pa., Sept. 30.—(INS)—Three young couples of nearby Boydton stared gloomily today at the blackened ruins of their postwar homes destroyed in a \$20,000 fire by an exploding oil stove.

The dwelling, which had been occupied for only 21 days, were part of a row of five shingled houses leveled by flames. The other two homes were unoccupied.

Coal township firemen said the fire started in the residence of Mr. and Mrs. Andrew Garancosky and spread rapidly to sections occupied by Mr. and Mrs. Eugene Barnes and Mr. and Mrs. Clyde Kopenhaver and their three children. Two single houses flanking the row were scorched by heat from the flames. No one was injured.

The fire, which broke out at 11:30 p.m., was caused by an exploding oil stove.
